WELCOME!

Information for our new patients

- Premedication:** If you are required to pre-medicate prior to dental appointments based on your physician's instructions, be sure to do so.
- The first appointment is usually for a consultation only.** If we are able to begin your treatment at this visit, we will do so.
- Please bring all available x-ray's that you have had taken within the last 5 years.**
- PATIENTS HAVING SURGERY ONLY.** If you take a blood thinning medication such as Coumadin, Plavix or aspirin, you will need to contact your physician for instructions to temporarily discontinue this medication prior to any surgery.
